Subsidy Info

As with a number of programs and processes, there is a large variation between how access to NOLB is being managed from one Council to the next. Given the strategic importance of this program to Scouting, we want to conduct some additional review before publishing a final process for the 2015-16 Scouting year. Please hold any requests received and advise anyone with questions that a firm process will be in place by early June.

Popcorn Info

Will you be using Show and Deliver or Take Order? Every area will be hosting a Popcorn Presentation at their next Area meeting. Come and ask the Expert. See what's new!

Pending

For the 2014-15 Scouting year in Voyageur Council there are: 90 scouters pending, 36 pending youth, 5 SITs pending and 79 parents pending. Please get as many records sorted as possible before your Groups end their regular meetings. If you need assistance contact your ASM.

myscouts.ca Training Webinars

Scouts Canada will be offering an introduction myscouts.ca webinar for Group and Area Registrars and Commissioners. The webinar is targeted to new volunteers and will touch on the core duties and responsibilities of these positions. The webinar will also include an introduction to myscouts.ca with a focus on registrations and reporting. The schedule for these will be posted on the myscouts.ca login page.

Growth Ideas for 2015-16

1. BaF Kub Kars for next winter. Why not have a Bring a Friend night to build Kub Kars? The friends can visit once to build the car and once for the Group races before submitting their registration forms and fee.
2. Fill sections to share scouting with as many youth in your community as possible. Why not keep your sections at maximum ratio? You might get another new leader along the way but it would not be a requirement. There is no harm in creating a waiting list.

PRC notifications

The myscouts.ca automatic notification has been temporarily disabled – run a report now to see who needs a new PRC before Aug 31st, 2015 and remind Scouters to renew. Need help with reports? Ask your ASM

Troop Council Camp

There are still spots available at the Troop Council Camp. Get your registrations in.
