SPONSORS/PARTNERS & SCOUTS CANADA

The relationship between Scouts Canada and the community is brought to life through local partnerships with organizations, institutions and associations. This relationship is defined in the resource: [In Partnerships for Youth – Guidelines for Sponsor/Partner & the Group](#).

PURPOSE

The purpose of the Charter Renewal Process is to:

- Confirm and acknowledge the Sponsor/Partner's commitment to Scouts Canada's Mission, Principles and Practices and to ensure that the Group is compliant with the By-Law, Policies and Procedures of Scouts Canada;
- Review the Scout Group's activities for the past year (annual Group Health Check), in order to endorse the renewal of the charter for the next year and to let the Area/Council Support Teams know a Group's needs;
- Establish that the Group/Sections are meeting the Quality Program Standards;
- Provide for two-way communication regarding issues, concerns and ideas;
- Assess the Community needs and identify a plan to meet the needs;
