

Voyageur Council would like to share a grassroots idea! Put up your tents and get noticed!! It began in Loyalist Area in 2014. The Groups in their area planned a weekend when every group would put up tents with signage that read "Scouting is an IN-TENTS Experience". It gained them a report in the local paper and has become a great way to get noticed.

Group tents on your sponsors lawn  
Place them consecutively along a busy road  
Use the Group sign  
Have the youth make their own signs  
Sleep in your tents overnight  
Ask your Area Team for more details  
Submit your pictures to the VC Facebook page to win the incentives

**Scouting is "In-Tents"**
